

Interview Guide – Video Game Tracking Application

General Questions

- Can you briefly introduce yourself? (Where are you from and where do you currently live?)
 - o Can you describe to me your current living situation (source of income, expenses, etc.)?
- Can you tell me about the time you started to play video games?
- What platforms do you currently play on?

Purchasing Habits

- How many games do you purchase a month?
- Do you pre-order any games?
 - o If so, how often and why?
 - o If not, then at what price do you usually purchase your games?
- Why do you purchase your games?
 - o What convinces you to do so?
- Do you ever plan to play all of the games you purchase?
 - o Do you ever find yourself regretting that you purchased a game?
 - If so, can you please walk me through a specific instance of this occurring?
- How much do you value playing a specific number of hours for a game after purchasing?

Playing Habits

- What genre of video games do you play most frequently?
 - o What are some of your favorite games at the moment?
- How many games do you usually have in rotation that you play on a regular basis?
 - o Can you name those games?
- Do you prefer to play primarily single-player games or multiplayer games?
 - o Do you see yourself as a competitive player?
- Do you prefer to play games to completion (finding all collectibles, completing all missions), or do you only play until you become bored?

Goals (Short-Term and Long-Term)

- Can you give me a rough estimate of how many games you currently have in your game library that you want to go back and play?
 - o What are a few that stand out to you the most?
 - Why do you choose these particular games?
- How much do video games matter to you?
 - o Has anything in your life affected this?
